

PETITION ESTABLISHING HEALTH CARE AS A CIVIL RIGHT

Whereas, Universal Health Care was proposed by President Teddy Roosevelt in 1912; and
Whereas today, nearly 100 years later, 47 million Americans are uninsured and another 50 million are underinsured bringing great social and economic harm to the American family; and
Whereas, HR 676, authored by Congressmen John Conyers and Dennis Kucinich provides for Medicare for All, a universal, single payer, not-for-profit health care system which means the end of premiums, copays and deductibles; and
Whereas we are already paying for a universal standard of care but are not getting it because one of every three dollars in the health care system goes to the activities of the for-profit insurance system; and
Whereas HR676 firmly establishes health care as a Civil Right, consistent with the Preamble to the Constitution of the United States and Article 1, Section 8 of the U.S. Constitution which defines a purpose of government "to promote the General Welfare," now therefore,

WE THE UNDERSIGNED DO HEREBY EXPRESS OUR STRONG SUPPORT FOR HR676, SINGLE PAYER HEALTH CARE, AND THE PRINCIPLES OF ECONOMIC JUSTICE FOR WHICH IT STANDS:
